IMCL2014 – 2014 International Conference on Interactive Mobile Communication Technologies and Learning

13-14 November 2014, Thessaloniki, Greece

Special Session on

Online Labs and Mobile Learning

Overview

Mobile learning is gaining more and more ground especially in education,it is a new way of addressing several problems. Devices such as smart phones and tablets, with the development of the internet, are new means of improving the learning process and have enabled the development of mobile learning tools. With the growth of online labs, it is very interesting and beneficial to develop multiplatform capable of running on PCs and mobile devices which integrate contents that helps students to study while moving.

This special session is intended to attract research papers showing novel applicationsin the field of mobile learning and online labs. We invite researchers, developers and all those working in this field to submit work under the following topics:

1. Mobile learning and Online or virtual Labs
2. Pedagogical approaches, models and theories for Mobile Learning
3. Design and Development of Mobile Platforms for Online Labs
4. Lab Clouds and Mobile Learning
5. Evaluation of Online Labs
6. New trends in Mobile Learning and training with online Labs
7. Learning at the Workplace and online Labs
8. Lab Workstations and Design of Online Experiments

NB: Papers may address one or more of the above listed sub-topics, although authors should not feel limited by them. Unlisted but related sub-topics are also acceptable.

The Conference will be composed of several types of contributions:

- **Full Papers** – These include mainly accomplished research results and have 6 pages.
- **Short Papers** – These are mostly composed of work in progress reports or fresh developments and have 3 pages.

Important Dates:

16 June 2014   Papers submission deadline

30 June 2014   Papers notification of acceptance

21 July 2014   Author registration deadline

15 Sep 2014   Camera-ready due

13 Nov 2014   IMCL2014 opening

Submission Method:

All the instructions for paper submission are included in the conference website:

http://www.imcl-conference.org/imcl2014/

Program Committee

Chair of the session: Samir Akhrouf University of BordjBouArreridj Algeria

Members:

Thomas Zimmer	University of Bordeaux France
HasseneMnif	Institut Supérieur d'Electronique et de Communication de Sfax, Tunisie
Ahmed Naddami	Université HASSAN I Settat, Morocco
Teresa Restivo	University of Porto Portugal
Dieter Wuttke	TU Ilmenau,
Javier Zubia	University ofDeustoSpain
BoubetraAbdelhak	University of BordjBouArreridj Algeria
