

# Mobile Learning in Cultural Institutions and Open Spaces (MLCIOS)

## Overview

## Topics

The special session on Mobile Learning in Cultural Institutions and Open Spaces is considered as an opportunity to begin a discussion that focuses on - but it is not limited to - the following topics.

- Mobile applications supporting learning for cultural institutions and/or open spaces (historical city centres, archaeological sites, city centers, or neighborhoods etc)
- Learning supported by tangibles in a context of non formal learning
- Theoretical considerations on technology supported learning in cultural institutions and/or open spaces
- Design issues, principles, rationale
- Analysis and review of use cases
- Evaluation approaches
- Learning activities
- Content processing and integration

## Contribution Types

Proposals for participation in the Special Session can be submitted in the following formats:

- Full Papers – These include mainly accomplished research results and have 5 pages.
- Short Papers – These are mostly composed of work in progress reports or fresh developments and have 3 pages.

All submissions will be peer-reviewed by at least two reviewers. All accepted papers will be included in the conference proceedings published through IEEE Xplore®, provided at least one author pays the registration fee before October 1st 2014.

For further questions, please contact [Nikoleta Yiannoutsou](#) (Subject: **IMCL2014 Special Session Submission**).

## Important Dates

20 Sep 2014	Special session papers submission deadline
22 Sep 2014	Special session papers notification of acceptance
01 Oct 2014	Author registration deadline
13 Oct 2014	Camera-ready due
13 Nov 2014	IMCL2014 opening
